

Cycling Otago track bike hire information

Cycling Otago has a number of track bikes that give members the opportunity to experience track riding and racing. It is intended to be a platform from which the rider can decide if s/he wants to commit to the sport in a competitive way.

Hire costs:

- Junior = \$75 (includes \$25 development program fee)
- Student = \$75
- Senior/masters = \$100

Bikes will be hired on Sunday the 4th of October before your coached session. Please come 30min early so that we can fill in the paperwork before your coaching. Bikes will be returned on 20st March. You will be contacted about this in advance.

It is expected that all bikes will be returned in the same condition, with the same components as they were hired out under. Any damaged parts should be replaced before return. Detailed information on looking after your bike will be provided when you pick it up.

The bikes should be taken home during the season. If this isn't, they can be stored in the bike shed if you provide a lock. Any unlocked bikes may be used and adjusted for visiting riders. Also, there is no guarantee that bikes stored in the shed will be available at any time outside of Tuesday night racing.

If you are interested in hiring a bike for the 2015-2016 season please email Bryony (bryony.telford@gmail.com) with the following information:

- Name
- Grade (ie. Under 15, under 17, under 19, senior or masters)
- Cell phone number
- Height

If you have any further questions contact Bryony by email above.
